

## Welcome to the NARI Employee Benefit Program for our valued members!

We have put together a comprehensive offering consisting of **three** parts. This will allow your company to offer the type of benefit program that helps you attract and retain quality employees.

### Companion Life

**Part 1 - Ancillary Coverage** (Life Insurance, Voluntary Life, Disability, Dental, Vision and Critical Illness). Our Innovative **Defined Contribution Approach** to these benefits allow YOU to set whatever budget you want for these benefits starting at just \$25. Each of your employees can then pick and choose what benefits are important to them. This program gives you the opportunity to offer Big Business Benefits on a Small Business Budget! Please refer to the presentation for benefits and rates.

### Allstate

IDENTITY PROTECTION

**Part 2 - Identity Theft Protection** - Identity Theft is largest crime in the world today. We are continually having our data breeched. Having access to professionals to restore your identity and good name is essential. If an employee has their identity stolen, it can take weeks, months or years to restore it, all done during normal business hours. Having this benefit in place helps reduce absenteeism and address presenteeism on the job.

### healthiestyou

By Teladoc

**Part 3 - Tele-Medicine Service** - Tele-Medicine is vital in this Covid-19 reality. This gives your employees the ability to call or video chat with a doctor 24/7 from anywhere. Includes Expert Medical Services, Behavioral Health, Back Care & Dermatology with \$0 Copays! Treats 70% of common ailments.

Please contact our partner company, The BenefitWorks to schedule a short online overview of how these benefits work. If you are unable to schedule an appointment during the day, please request a link for a recorded presentation directly from [krowley@thebenefitworks.com](mailto:krowley@thebenefitworks.com)
